The Academic Council at its meeting held on 2<sup>nd</sup> July 2014 resolved that Research Methodology course be shifted from semester III to semester II.

We have come across cases where students who had appeared for M.A. Part I prior to academic year 2014-15 and want to take admission to M.A. Part II in academic year 2015-16 after a gap. These students will thus miss the paper of "Research Methodology" thus it is informed that:

1. The student be allowed to take admission in M.A. Part II in academic year 2015-16 but will also have to complete and appear for the course of "Research Methodology".
2. A nominal fee of Rs. 1,000/- be charged for admitting such students for "Research Methodology"
