As you are aware that the University Special Cell receives applications as well as maintains data on candidates from SC/ST/OBC/NT/VJ and other backward classed for teaching as well as non-teaching job opportunities available in conducted & affiliated colleges of our University.

It is observed that, after receiving the draft advertisement the colleges do not ask for the above data of candidates which are already available with the University Special Cell.

All the Principal of affiliated colleges are requested to take the list of eligible candidates registered in the Special Cell of University and call them for interview.
