OPPORTUNITIES & CHALLENGES

To
Principal / Head

Dear Sir/Madam

We are pleased to inform you that the University is organizing a Student Conference on the theme :
"Smart GenNext" : Issues and Challenges on 11th & 12th February 2015 at SNTD Women's University,
Karve Vidya Vihar, Pune.

The idea behind the conference is to provide students an opportunity to participate and present papers on an issue or topic of their interest in the broad context of the conference theme. It will also provide the undergraduate students a chance to participate and know more about the PG programs and opportunities in the university.

I am attaching for you reference a brochure for the conference. We will also send a poster in the next 2 days for display. The conference is open to all students of SNTD Women's University. This is to request you to kindly encourage your students to participate and also present papers. All participants and paper presenters will receive certificates.

Please note that the last date for confirmation of participation is 5.2.2015. Registration fees may be paid on the day of the conference but confirmation of participation must be informed before 5th.

We will send more details of the conference to you in the next few days.

Thanking you and looking forward to participation from you and your students.

R. Misra..
